For Immediate Release:

Spoolin Buddy launches Spoolin Buddy Mini

World's Smallest Fishing Line Spooling Station and storage device.

Weatherford, T.X. May 1st, 2013- Spoolin Buddy today announced the launch of the Spoolin Buddy Mini (<http://www.spoolinbuddy.com/product/spoolin-buddy-mini/>), the world's smallest Fishing Line Spooling Station and Storage device in one. The Spoolin Buddy Mini offers the same great features from Spoolin Buddy's larger Fishing Line Spooling Stations but in more lightweight, and easy to carry size.

Pro Anglers have been searching for more affordable and smaller portable Fishing Line Spooling devices, and we've responded by introducing our smallest ever Spoolin Buddy, making Spooling Fishing Line quicker and more portable.

Portability

Whether you're a weekend fisherman or a Pro Angler the most important thing is to be able to get to your most important fishing line and Spool new line quickly. Bernie Schultz Professional Angler has this to say about the Spoolin Buddy *"I love mine. Now I never have to worry about finding the right spool of line or wonder whether or not I have enough. With a Spoolin Buddy, I can see exactly what I have at a glance.!"*

The Spoolin Buddy Mini offers ease of use, portability, light weight design, and holds either 2 two 2000 yd spools or about 7 or 8 300 yd spools. The Spoolin Buddy Mini lets you spend less time spooling and more time fishing, when it comes to Fishing Line Spooling Stations, no other device

can do what the Spoolin Buddy Mini does!

Pricing and Availability

The Spoolin Buddy Mini is available now at <http://www.spoolinbuddy.com/product/spoolin-buddy-mini/> and is set at an introductory low price of 50.00

About Spoolin Buddy

Spoolin Buddy was invented by fisherman Avery “Butch” Morris, a full time contractor who has been living in Weatherford, TX is whole life. Morris was visiting with his friend and professional fisherman Gary Klein when Klein asked him to design something that would enable him to keep track of and hold 15 spools of fishing line at the same time.
